Congratulations Niki

In Papua New Guinea, onboard Loose Crew, Niki has shown the boys a clean pair of heels to win the titles of 2010-2011 Champion Female Angler, Runner-up Competition Angler, March Pointscore Winner, and overall 8th highest pointscore angler at the Lae Gamefishing Club. And this is the season she also caught her first marlin.

Congratulations Niki & of course James & the rest of the Loose Crew's.

The Aussie Battler

As mentioned in our July Newsletter, and as this 5 year chart (provided by OzForex) shows, the A\$ is still very close to historical highs but very volatile. The recent rapid 10% free fall illustrates the absolute necessity of currency hedging.

When BPY quotes an A\$ price you are protected from these always unforeseen and often large occurrences. While we don't make money on currency speculation, we (and consequently our customers) don't lose because of it either.

New Luhrs Package Deals

Luhrs is offering attractive package deals on new 30 & 37 Opens. Let's work out the options you want included to personalise the boat and get back with an A\$ price including currency protection, GST, commissioning and delivery to your marina berth.

Why buy from BPY?

BPY A\$ prices include currency protection, all documentation & title searches, insurance while the boat is in the USA, Australian Standards 240v & gas conversions (including new appliances & fire fighting systems as required), deliveries, cradles, loading, shipping insurance, all shipping (to Brisbane or Sydney) and unloading charges, quarantine, customs, GST, and duty if applicable. Australian modifications, commissioning & detailing are also included.

We are happy to quote & sell ex-factory at US\$ prices and will match any genuine US Authorised Luhrs Dealer written quote plus the required 240v & gas changes for Australasia. As the Luhrs Australian Distributors, any factory warranties apply on boats purchased from us.

Our job is to make it easy for you to purchase, own, and enjoy a good quality boat. We source any 2nd hand boats through reputable dealers and use independent surveyors to verify quality prior to committing to purchase. You have the advantage of our knowledge of the Luhrs range and individual boats, access to Luhrs records, and the modifications each model requires to offer the best possible performance in Australia. Our research is constant and ongoing so we know pretty well the boats that are poorly maintained, thrashed, stripped, or damaged. We work hard to find good quality boats for our clients.
