

Heading to the Sunshine Coast

We're heading to Kawana Waters on Thursday 6th October to do the Sunshine Coast GFC Spring Shootout. Briefing Thursday night, fishing Friday & Saturday, and presentation on Sunday morning. A great tournament in a beautiful part of the world.

I'm looking forward to fishing with Bob, Mick, and George Rehua from Reelax onboard "Privateer" and catching up with Graham & Carroll onboard "Nobby's Way" whilst up there.

Will be in Mooloolaba on Monday, Brisbane Tuesday and the Gold Coast Wednesday 12th October. I currently have some spare time on this trip so if you'd like to catch up let me know.

and onto Port Douglas

There are very few things in life as exciting as witnessing a huge black marlin light up & wolf a bait down followed by the scream of a 130lb ratchet. In early November I hope to be seeing (and feeling) just that when joining Tony & Brendon for a few days on the reef onboard "Rat Bag". I've booked big fish, perfect weather, and cold beers for this trip.

It'll also be an opportunity to enjoy spending some time fishing with the very skilful Dean Butler again. If you enjoy magnificent photography it's well worth a visit to www.deanbutler.com.au. The number of world records this guy has helped catch is testament to his skill.

Dean will be driving "Rat Bag" for the Port Douglas Marlin Challenge. There are some good shots of "Rat Bag" in the video of last years tournament at www.portdouglasmarlinchallenge.com. If this video doesn't make you want to load up the boat, burn some serious fossil fuel, and go fishing then there is something amiss.

Arriving in Cairns on 30th October and heading back south on 3rd November. Let me know if you'd like to catch up.

We source any 2nd hand boats through reputable dealers and use independent surveyors to verify quality prior to committing to purchase. You have the advantage of our knowledge of the Luhrs range and individual boats, access to Luhrs records, and the modifications each model requires to offer the best possible performance in Australia.
