

Hoist your flag on Privateer

This magnificent vessel is probably the best & most comprehensively fitted out Luhrs 41 Open Tower for sale in the world at present. Due to a change of plans by her owner she is available for immediate delivery.

Originally built for the Australian market, she was delivered here new by us in late 2008. She has been professionally maintained and only has around 100 hours on her twin Cummins QSM-11 645hp engines. Custom propellers help give exhilarating yet economical performance to the tried & proven Luhrs hull design. Like all Luhrs, the 41 Open is a superb handling sea boat.

There is a very full compliment of navigation, fishing, and communications equipment onboard including satellite phone and internet capability. Down below she has a wide screen TV, Bose stereo, a remote alarm system, and comfortable accommodation. The cabins and bridgedeck are air-conditioned, plus there is an icemaker and water-maker. She is very complete and ready to enjoy travelling, fishing and entertaining immediately.

As you would expect with a Luhrs, the 110sq ft cockpit is well equipped for fishing with a Reelax chair, prep board, outriggers, rigging station, transom door, twin kill boxes, live-bait tank, underwater cameras, etc.

For a copy of the very comprehensive inventory & inspection of this "better than new" vessel please contact me directly.

You have the advantage of our knowledge of the Luhrs range and individual boats, access to Luhrs records, and the modifications each model requires to offer the best possible performance in Australia.

We source any 2nd hand boats through reputable dealers and use independent surveyors to verify quality prior to committing to purchase. Our research is constant so we know boats that are poorly maintained, thrashed, stripped, or damaged. We work hard to find good quality boats for our clients.
