Our job is to make it easy for you to purchase, own, and enjoy a good quality boat. As the Luhrs Australian Distributors, factory warranties apply on boats purchased from us. You have the advantage of our knowledge of the Luhrs range and individual boats, access to Luhrs records, and the modifications each model requires to offer the best possible performance in Australia.

We source any 2nd hand boats through reputable dealers and use independent surveyors to verify quality prior to committing to purchase. Our research is constant so we know boats that are poorly maintained, thrashed, stripped, or damaged. We work hard to find good quality boats for our clients.
